Home Sweet Home offers a preschool environment where a child may express his/her creativity, enhance his/her self-esteem and activate his/her natural learning capacities, while preparing for kindergarten. Upon applying for immediate or deferred enrollment due to a waiting list or personal preference, a \$100.00 registration fee is due in order to secure a space. You will be notified when a space is available for your child. The fee is non-refundable and is considered to be the registration fee due upon enrollment. Upon an available space, we will contact the parents and request a deposit equal to one month's tuition. This deposit will be credited to the last month of attendance in our program.
